

Corcoran Gallery of Art

Exhibition List
1897 – 2014

The National Gallery of Art assumed stewardship of a world-renowned collection of paintings, sculpture, decorative arts, prints, drawings, and photographs with the closing of the Corcoran Gallery of Art in late 2014. Many works from the Corcoran's collection featured prominently in exhibitions held at that museum over its long history. To facilitate research on those and other objects included in Corcoran exhibitions, following is a list of all special exhibitions held at the Corcoran from 1897 until its closing in 2014.

Exhibitions for which a catalog was produced are noted. Many catalogs may be found in the National Gallery of Art Library (nga.gov/research/library.html), the libraries at the George Washington University (library.gwu.edu/), or in the Corcoran Archives, now housed at the George Washington University (library.gwu.edu/scrc/corcoran-archives). Other materials documenting many of these exhibitions are also housed in the Corcoran Archives.
